Corrigendum

HOW TO CITE:

The order of the labels on the y-axis of Figure 1 (page 2) was inadvertently reversed. The correct figure appears below.

The error also appears in the Supplementary material on page 2, line 96:

```r
mtext(labs, side = 2, line = 0.4, outer = FALSE, at = x[,1], las=1,
SHOULD BE
mtext(labs, side = 2, line = 0.4, outer = FALSE, at = rev(x[,1]), las=1,
```

Figure 1: The frequency at which principles from the National Environmental Management Act were prioritised by a cohort of early career environmental professionals.
